AGENDA POLICIES

The Planning Commission considers a range of requests for development permits, appeals, and planning policy matters, and conducts public hearings on many of its agenda items. Due to the number, complexity and public interest associated with many agenda items, meetings of the Planning Commission are generally lengthy. The Planning Commission makes every effort to proceed as expeditiously as possible; your patience and understanding is appreciated.

REQUEST TO SPEAK on an item must be submitted on a Speakers Request Form and submitted to the Planning Commission Secretary. All requests to address the Planning Commission on Public Hearings items must be submitted prior to the Planning Commission's consideration of the item.

CONSENT CALENDAR items will be acted upon by the Planning Commission at one time without discussion, unless a Planning Commissioner pulls a specific item for discussion.

PUBLIC HEARINGS PROCEDURES on each Public Hearing item include presentation of a staff report; Planning Commission questions of staff; a ten (10) minute presentation by the project applicant or applicant's representative or team, if any; Planning Commission questions of the applicant; three (3) minutes (in order to facilitate the meeting, the Chair may lengthen or shorten the three (3) minute period for all speakers on a particular agenda item based on the number of persons in attendance wishing to speak or the complexity of the matter under consideration) for each member of the public wishing to speak to the item; five (5) minutes for the project applicant to respond to the public or clarify issues raised by the public; Planning Commission deliberations and decisions.

PRESENTATIONS BY MEMBERS OF THE PUBLIC should begin with the speaker stating his or her name and city of residence, followed by a statement regarding the item under consideration. Please speak to the Planning Commission as a whole.

PROFESSIONALS APPEARING BEFORE THE PLANNING COMMISSION should clearly identify their status, such as "attorney", "paralegal", "architect", "designer", or "landscape architect". Instances of misrepresentation of professional status may be referred to the City Attorney for possible prosecution.

LETTERS OR WRITTEN MATERIALS regarding agenda items may be submitted to the City Planning Division staff prior to or at the Planning Commission meeting; written materials submitted at least eight (8) days in advance of the meeting will be included in the Planning Commission's meeting packet. Materials submitted after the deadline may be difficult for the Planning Commission to adequately review.

ASSIGNING OF TIME is not permitted.

ACTION OF THE PLANNING COMMISSION on most matters occurs with the affirmative votes of at least four (4) Planning Commissioners.

APPEAL PROCEDURES

Any final determination by the Planning Commission may be appealed, and such appeal must be filed within ten (10) calendar days after the Planning Commission action. This appeal shall be made in written form to the City Clerks Office, accompanied by an appeal fee or required number of signatures.

The City Clerk, upon filing of said appeal, will set petition for a public hearing before the City of West Hollywood's City Council at the earliest date.

If you challenge any City of West Hollywood decision in court, you may be limited to raising only those issues you or someone else raised at the public hearing described on this agenda, or in a written correspondence delivered to the Planning Commission at, or prior to, the public hearing.
