WEST HOLLYWOOD COMMITTEE ON DISABILITY

MEETING OF AUGUST 12, 1993

The meeting was called to order at 3:15 p.m. Members of the committee introduced themselves, and there were several announcements:

- Z Zimmerman reported on an incident which occurred on an RTD bus;
- Z Zimmerman requested the Committee to review copies of the final report of the Disability Task Force;
- Z Zimmerman announced that chairs in front of Barney's Beanery on Santa Monica Blvd. are blocking wheelchair access on the sidewalk; and
- A commendation from the City Council will be spent to the family of Bill Stirrup.

Helen Goss, Public Information Officer, met with the Committee to discuss ideas for outreach. She is interested in doing a brochure focusing on disability services.

Jodi Curlee, Social Services Administrator, spoke to City Council members regarding the Cable TV production. October is Disability Awareness Month, and would be a good time to cablecast the production. The Council members were interested. Helen Goss agreed to donate tapes and will see that the program is aired. She will assist with editing.

Jodi Curlee reported on the Community Needs Assessment. This year, the City has less money available to do the study, but also has more experience with the process. There will be a small phone survey and a large mail survey. Members of the Committee were asked to complete a sample survey.

A new Disabilities Specialist will be starting soon, and will send a letter of introduction to the Committee members.

The public comment session on medical disability was postponed.

A discussion of Committee direction will also be continued at the next meeting.

The meeting was adjourned at 4:45 p.m.

The next meeting will be held Thursday, Sept. 9, at 3 p.m., in the Community Conference Room at City Hall.
