- A. Introductions: Peter Sirvint was introduced as a prospective candidate for the COD.
- B. Announcements: Deidre Hays, Greg Gossett and Barbara Kowalski have resigned from the COD.

II. Old Business

A. COD Goals:
Due to the number of people absent, a short meeting was held to discuss the committee goals: ADA/Advocacy Handbook, Access Awards, Speakers Bureau and the Infoline. We will discuss further at the January meeting when more members will be present.

III. New Business

A. Focus Group Report: Leslye gave feedback on the focus group that was held as part of the Social Services Community Needs Assessment Survey. Some of the issues identified were housing, employment and a place for people to go during the day.
Z asked why there are not more Board & Care facilities in the City and about the City hiring people with disabilities to get info out. She also suggested that we use a speakerphone for COD members who can not physically make it to the meetings. Leslye will call all members two days before the meeting to remind them.

B. We will have a study session with the Human Services Commission to ensure a closer working relationship and the transfer of our recommendations to the City Council.

IV. Our next meeting is on January 13, from 4-6 p.m., in the Human Services Conference Room, 2nd floor, West Wing.
