

Get in the Loop

**Keep Weho safe with your
home security camera.**

Get a \$100 rebate from the City of West Hollywood on Ring home security doorbells and cameras. If an incident occurs, choose to share your footage with the Sheriff's Department.

**A public safety program of the
City of West Hollywood**

To get in the loop, contact Kate Kigongo,
City of West Hollywood Innovation Analyst,
at kkigongo@weho.org

Rebate available to the first 200 qualifying residents

Neighbors App

The Neighbors App is Ring's new digital neighborhood watch program. Get real-time crime and safety alerts from your neighbors, law enforcement, and the Ring team.

The app is free and open to anyone in the neighborhood, even if you don't own a Ring camera.

This is a public safety program by the City of West Hollywood that connects cameras owned by residents, businesses, and the city to create a safer, unified community.
