# **THE 75<sup>th</sup> ANNIVERSARY OF VICTORY IN EUROPE DAY**

**SATURDAY, MAY 9, 2020**

**THE DAY MARKS THE END OF THE NAZI REGIME IN GERMANY AND THE DEFEAT OF THE GERMAN ARMY IN EUROPE. THE DAY IS THE REMEMBRANCE OF AN ESTIMATED 50 MILLION PEOPLE WHO LOST THEIR LIVES DURING WWII.**

The WWII Veterans Memorial events have grown to become a global movement. Unfortunately, due to the global pandemic of COVID-19, we are unable to celebrate the 75th Anniversary of the Victory in Europe Day in our traditional manner.

The City of West Hollywood and the Russian Advisory Board have suggested an alternative virtual celebration to honor the memory of those who sacrificed their lives.

For this virtual celebration, you may submit a picture and a short bio of your family members, loved ones or friends to the City of West Hollywood's archive.

This will allow us to continue the annual tradition to honor the memory of those who fought against the Nazis during the WWII.

**Our virtual celebration of the 75th Anniversary of Victory in Europe Day is an act of admiration and remembrance of all who fought against the Nazis during the WWII.**

The WWII Veterans Memorial Celebration goes beyond politics; it shows that we will always be grateful for WWII veterans and that we will never forget the sacrifices they made. With fascism on the rise worldwide, the celebrations like this have taken on a new and urgent meaning, as it honors the soldiers who fought and many who perished in the fight against fascism.
