Policy Prioritization

What do you think the top 3 priorities should be for the City?

Explore ongoing opportunities to establish and support cultural facilities to meet community needs.

Hold community festivals and art and cultural events.

Support network of artists, cultural groups, and institutions.

Provide cultural grants for exhibitions and performances.

Seek opportunities for collaboration between the business and arts communities.

Foster and support public art in green and open spaces.

Support public art in infrastructure and capital improvement projects.

Develop and maintain a partnership with the West Hollywood library to provide coordinated arts and culture programming at the library building and throughout the City.
