Use the App

You can quickly and efficiently report service requests like potholes, graffiti removal, and more through the Official City App. Download the app today by searching "West Hollywood" in the App Store and find out more at weho.org/servicerequest.

An aerial photograph of Los Angeles, California, showing a dense urban landscape. In the foreground, a large white building with a green roof and blue tennis courts is visible. To its right, a prominent red building with a curved facade stands out. Further right, a green building with a helipad on its roof is visible. The background shows a mix of residential and commercial buildings, streets, and greenery. The text "(323) 848-6400" is overlaid in large white font, and "City Hall" is written in yellow font near the white building.
