A. WESTSIDE CITIES COUNCIL OF GOVERNMENTS BUS INFRASTRUCTURE FUNDING OPPORTUNITIES:

The Commission received a presentation by David Fenn, Senior Planner regarding on opportunities related to Metro funding allocated by the Westside Cities Council of Governments (WSCCOG) for regional bus infrastructure and bus rapid transit (BRT) corridors previously identified in regional planning documents that could potentially serve West Hollywood but are not included in existing City plans.

***Commissioner Greene recused himself based on potential conflict of interest.**

The Commission requested clarification on what the range of bus infrastructure encompasses.

The Commission spoke on having a bus lane to the airport and the necessity of North to South lanes.

The Commission spoke on dedicated bus lanes to move faster than cars for incentive and frequency of buses running. Speed and convenience need to be top priorities.

The Commission mentions liking the La Cienega and Jefferson option for its connectivity and works for implemented bike lanes.

The Commission requested clarification on where the corridor route lines will end and inquired about the cost of traffic signal upgrades for dedicated bus lines.

The Commission spoke on the importance of enforcement for the bus lanes.

The Commission inquired about any studies done on the movements and trends of the population.

The Commission asked for clarification on the allowances for usage of the funds.

The Commissioner inquired about Centinela as an option and BRT advertisement.
