If the City Council makes a determination pursuant to this subsection, the minutes of the meeting at which the determination is made shall reflect what circumstances gave rise to the need to take action after the agenda was posted.
- c. Where the item upon which action is to be taken was included on a properly posted agenda for a prior meeting of the City Council occurring not more than five (5) calendar days prior to the date of the meeting at which action is to be taken, and at the prior meeting the item was continued to the meeting at which action is being taken.

SECTION 6. PUBLIC COMMENT

6.1 Public Comment. During the first Public Comments section of the agenda, any member of the public may address the City Council on items appearing on the Consent Calendar. Members of the public may also comment upon any other item of interest that are within the subject matter jurisdiction of the City Council at this time or later in the meeting under the second Public Comments heading. Any Council member may request that matters addressed under Public Comments or Council member's comments be placed for action on a subsequent agenda; however, no action shall be taken on items not appropriately placed on the agenda except in a situation as described in Section 4.2.

Speakers may only speak once on any agenda item. Donating public comment time to others is prohibited.

Abusive, derogatory, and slanderous language is inappropriate.

Speakers will not bring to the podium any items other than a prepared written statement, writing materials, or objects that have been inspected by security staff.

Speakers and any other members of the public will not approach the dais at any time without prior consent from the Mayor of the meeting.

6.2 Limitations. Meeting attendees are afforded a specific amount of time to speak on any agenda item during public comment as designated in the legislative body's bylaws; the time limit for the City Council is two minutes. The time limit may be adjusted by the Mayor when fairness or other circumstances make it appropriate. Applicants and appellants in land use hearings are accorded more time to make their presentations.

6.3 Procedure.

a. To be allowed time to address the City Council, each speaker must fill out a Speaker Request slip before discussion on the agenda item begins. This slip shall contain the name and city of residence of the speaker, the subject or subjects upon which the speaker wishes to address the City Council and shall be signed by the speaker.

b. Upon addressing the City Council, each speaker must first state his or her name and city of residence and then identify the subject or subjects upon which she intends to speak.

6.4 Written Communications to Council. Persons who wish to address an issue on the agenda for the official record may submit written material to the Council in lieu of or in addition to speaking under the Public Hearings or Public Comments sections of the meeting. Such written correspondence should be forwarded so as to be received by the City Clerk by noon of the Friday before the regular Council meeting. The City Clerk will ensure that the correspondence is photocopied and distributed to all Councilmembers prior to the Council meeting, and that a note indicating the author and subject of such receipt of said correspondence is reflected in the meeting minutes.

SECTION 7. COUNCIL MEMBERS' COMMENTS

In addition to receiving comment from the public, there are two specific items on the agenda for receiving general comments, announcements, and requests of staff and/or other issues of concern from members of the City Council. These matters may not be discussed, and if they do not concern an item on the agenda, shall be handled by the Mayor according to the same procedures set out for Public Comment in Section 6.1. No action may be taken on such matters without their first being properly placed on a subsequent agenda.

7.1 Placement of Councilmember Comments. Councilmember comments shall be placed at the end of the agenda proceeding the last legislative item and prior to the adjournment.

SECTION 8. PUBLIC HEARINGS

Matters which are required to be heard in a noticed Public Hearing shall be conducted in the following manner:

8.1 Time for consideration. Matters noticed to be heard by the City council shall commence no earlier than the time specified in the notice of hearing, or as soon thereafter as is reasonably possible and shall continue until the same has been completed or until other disposition of the matter has been made.

8.2 Continuance of Hearings. Any hearing being held or noticed or ordered to be held by the City Council may, by order or notice of continuance, be continued, or re-continued to any subsequent meeting in the manner provided for under Section 2.6.

8.3 Conduct of Hearings When a matter for Public Hearing comes before the City Council, the Mayor shall open the public hearing and

- a. Call for a report on noticing from the City Clerk;
- b. Call for a report on written communications received by the City pertaining to the item being heard;
- c. Request that staff present the staff report and any other relevant evidence. Presentation of the staff report prior to the formal opening of the Public Hearing shall not prevent its consideration as evidence. Any such evidence shall be made a part of the record of the Public Hearing;
- d. The Mayor shall then recognize the proponents or appellants in the case, who shall be permitted 5 minutes to present evidence related to the matter under consideration.
- e. The Mayor shall then recognize members of the public who have completed a speaker's request slip for this issue and submitted it to the City Clerk. No person may speak without first being recognized by the Mayor. Members of the City Council who wish to ask questions of the speakers or each other during the Public Hearing may do so. Members should be mindful that the purpose of the public hearing is to obtain testimony, and not to debate the merits of the item under consideration. Members should avoid debate and expressions of personal opinion until after the close of the public testimony portion of the Public Hearing. The Mayor shall conduct the hearing in such a manner as to afford due process to all affected persons. Meeting attendees are afforded a specific amount of time to speak on any agenda item during public comment as designated in the body's bylaws; the time limit for the City Council is two minutes. The time limit may be adjusted by the Mayor when fairness or other circumstances make it appropriate. Applicants and appellants in land use hearings are accorded more time to make their presentations.
- f. Following public comments, the proponents or appellants may present a wrap-up or rebuttal statement, not to exceed two (2) minutes in length.
- g. The Mayor shall then close the public testimony portion of the Public Hearing. Council members may still, however, ask questions of staff or members of the public. Upon conclusion of Council deliberations and immediately prior to a motion, the Mayor shall formally close the public hearing. Upon formally closing the public hearing, no additional public testimony shall be solicited or received without reopening the hearing. The hearing may not be reopened unless it is determined that no one in the audience has left the room since closure of the hearing. In the event the Mayor is unable to make that finding, the hearing may not be reopened unless it is re-noticed for a future meeting.

8.4 Evidence. All persons interested in the matter being heard by the City Council shall be entitled to submit written evidence or remarks, as well as other graphic evidence. All such evidence presented shall be retained by the City Clerk as part of the Clerk's record. Prior to declaring the public hearing open, the Mayor may establish a time limit for the entire public hearing or establish time limits for the presentation of each individual speaker.

SECTION 9. PROCEDURES FOR THE CONDUCT OF MEETINGS

9.1 Robert's Rules. Unless otherwise specified in this Resolution or by other ordinance or resolution, meetings of the City Council shall be conducted in accordance with the most recently revised edition of Robert's Rules of Order. In the event of any conflict between Robert's Rules and this resolution, the Municipal Code or of State law, the latter three sources of authority shall govern.

9.2 Motions. The Mayor or any member of the Council may bring a properly agendized matter of business before the Council by making a motion. Before the matter can be considered or debated it must be seconded.
