The City's Climate Action and Resilience Platform

Explore a curated selection of activities tailored to your household, track your impact and progress over time, and find a wealth of resources, from rebates to how-to guides.

Together you can join in community challenges, collaborate with neighbors, and celebrate collective achievements.

Learn which simple everyday actions you can take to reduce carbon pollution and save money at my.wehoclimateaction.org or scan the [QR code!](#)

There Are More Ways to Take Climate Action
