- 3. COMMENTS FROM THE PUBLIC**
- 4. DISCUSSION ITEMS:**
 - A. PROPOSED ZONE TEXT AMENDMENT
STREAMLINE QUALIFYING HOUSING PROJECTS:**

The Planning Commission Long Range Planning Projects Subcommittee will provide feedback on a proposed zone text amendment that would streamline review for (a) residential projects with fewer than 100 units, and (b) mixed-use projects with fewer than 100 units and less than 30,000 square feet of nonresidential floor area. Hotels are excluded. The zone text amendment would change the review authority from the Planning Commission to the Community Development Director (as a staff-level approval) for qualifying projects and replace the current two-appeal path with a single appeal to the City Council. This is an initiative of the Council-adopted “Reforming Housing Approval and Permitting Processes to Encourage Housing Production” reform package.
