

OLDER ADULTS ADVISORY BOARD 2026 MEETING CALENDAR

Establishing a predetermined board calendar for 2026 provides clarity, consistency, and transparency for board members, staff, and the public by allowing ample time for planning, coordination, and preparation of agenda items. A set calendar helps ensure timely decision-making, improves attendance, and aligns board activities with organizational and City priorities.

In 2025, City Council approved the implementation of the Advisory Board Meeting Frequency Pilot Program. Under this one-year pilot, Advisory Boards may adopt a modified monthly meeting schedule of eight (8) to ten (10) meetings per year, allowing flexibility to skip a few months based on workload and scheduling needs. This adjustment is intended to promote efficient staff and Board operations while maintaining robust public engagement and policy development opportunities.
